#WhereCyberMeansBusiness

Singapore Fintech Festival 2025 12 – 14 November 2025

The Singapore FinTech Festival (SFF) is a global nexus where policy, finance, and technology communities converge. It is the world's stage for defining the future of financial innovation, inclusion and resilience.

As SFF marks its 10th edition this year, leaders will gather in Singapore from 12 to 14 November 2025 to celebrate a decade of collaborative innovation, where ideas born in financial institutions, regulatory bodies and startups have matured into resilient solutions. The event will also confront the biggest unresolved challenges in global finance to chart the next decade of smarter, more inclusive and responsible growth.

Blackpanda Recognized with APPACT Appreciation Awards for 2022, 2023, and 2025

Blackpanda is proud to be awarded the **APPACT Appreciation Awards** by the **Singapore Police Force CyberCrime Command** for three consecutive years—2022, 2023, and 2025. This recognition honors our contribution to strengthening public-private collaboration in combating cybercrime and advancing cyber resilience across Singapore.

At Blackpanda, we believe **cyber emergency response should be as accessible as public emergency services**. Our **IR-1** solution—Asia's first fixed-cost cyber incident response subscription—reflects this commitment, ensuring that immediate, frontline cyber response is just a phone call away.

We are grateful to the **CyberCrime Command (CCC)** for this recognition and extend our congratulations to our fellow APPACT partners who were also honored at the Appreciation Dinner. Together, we are building a safer digital ecosystem for all.
