

## AiSP Events

21 November 2025

### The Cybersecurity Awards 2025

Join us for a night of celebration and recognition at The Cybersecurity Awards 2025, as we honour outstanding individuals and organisations who have made significant contributions to the local and regional cybersecurity ecosystems.

Date: Friday, 21 November 2025  
Time: 6:00 PM – 9:00 PM  
Venue: Marina Bay Sands

Organised by the Association of Information Security Professionals (AiSP) and proudly supported by the Cyber Security Agency of Singapore.  
Public attendees (non-members of AiSP): Please scan the QR code or click [here](#) to purchase your tickets.  
AiSP members: Kindly email [secretariat@aisp.sg](mailto:secretariat@aisp.sg) with your membership number to receive your exclusive member promo code.

### IS-BOK 2.0 Information Security Body of Knowledge

Get our newly launched Information Security Body of Knowledge (BOK) Physical Book at \$87.20 (after GST).

While stocks last!

Please scan the QR Code in the poster to make the payment of \$87.20 (inclusive of GST) and email [secretariat@aisp.sg](mailto:secretariat@aisp.sg) with your screenshot receipt and we will follow up with the collection details for the BOK book.

## AiSP x Proofpoint Event – From Reactive to Adaptive: Transforming Email DLP Strategy

Traditional email DLP is rule-heavy, noisy, and resource-draining. Join us to see how Proofpoint Adaptive Email DLP uses real-time context, user behavior, and AI to cut false positives, ease operational load, and strengthen data protection—especially for regulated industries like legal, healthcare, and manufacturing.

**proofpoint.**

### QISP® EXAM PREPARATION CRASH COURSE

Are you ready to boost your cybersecurity career with the QISP® certification? Join Deloitte's intensive crash course and get exam-ready in just 3 days!

- + Taught by our experts with several years of industry experience
- + Intensive fast-tracked learning
- + Practical exercises for real-world application
- + Flexible batch timings

The QISP® training is based on AiSP's Information Security Body of Knowledge (IS 90K) v2.0. Candidates must achieve a minimum of 50-64% (Qualified Information Security Associate), 65% and above (Qualified Information Security Professional) to pass.

Domains covered on the QISP® exam:

- Governance & Management
- Physical Security and Business Continuity
- Security Architecture and Engineering
- Operation and Infrastructure Security
- Software Security
- Cyber Defense

New batch is starting soon, register your interest now by scanning the QR code!

## Qualified Information Security Professional Course (QiSP) Preparatory Course

Click [Here](#) to learn more

Complete this course in a month or up to 12 months! Enjoy lean-forward learning moments with our QISP/QISA preparatory e-learning course. Receive a certificate of completion upon completion of the e-learning course. Fees do not include QISP examination voucher. Register your interest [Here](#)!

### QISP Exam Preparatory E-Learning Course

Prepare for QISP Exam via E-Learning Anytime, Anywhere!

Our e-learning program is perfect for those who want to prepare for the QISP Exam based on AiSP IS 90K domains. With access for 12 months, you can study at your own pace on our beautifully designed and responsive e-learning platform.
