

AiSP Events and Updates

Join us for an insightful session at the upcoming AiSP Cloud Security Special Interest Group (SIG) Meetup, where professionals and enthusiasts in the cloud security space gather to connect, collaborate, and chart the future of secure cloud adoption.

The session will kick off with a welcome address, setting the stage for a dynamic exchange of ideas. We are pleased to welcome guest speakers who will share key perspectives on cloud security strategies:

- **Mr Alvin Yeo, CISSP & CCSP**
Cloud Specialist, APJ, Tenable

Topic: Securing Identities and Sensitive Data in the Cloud

- **Mr Donald Ong**

Senior Assistant Director (Division Lead), Cloud Cybersecurity Programme Office (CCPO), CSA
Topic: Cloud Security Strategy and Guidelines

- **Mr Jon Lau**

Director, CISO Office, A*STAR; Chair, Cloud & HPC Security SIG, CSCIS
Topic: Cloud Security Strategy and Guidelines

After the panel discussion, SIG members will come together and deliberate on the SIG 2025–2026 workplan, focusing on key initiatives, partnerships, and opportunities to strengthen the cloud security ecosystem in Singapore.

Whether you're a seasoned practitioner or new to the field, this meetup offers a great opportunity to stay updated, share insights, and shape the direction of cloud security efforts in the region.

Date: 13 May 2025 (Tuesday)
Time: 6PM – 8PM (Registration starts at 5.30pm)
Venue: Tenable office (9 Temasek Boulevard, Tower 2, #31-01 Suntec City, Singapore 038989)

Blackpanda Recognized with APPACT Appreciation Awards for 2022, 2023, and 2025

Blackpanda is proud to be awarded the **APPACT Appreciation Awards** by the **Singapore Police Force CyberCrime Command** for three consecutive years—2022, 2023, and 2025. This recognition honors our contribution to strengthening public-private collaboration in combating cybercrime and advancing cyber resilience across Singapore.

At Blackpanda, we believe **cyber emergency response should be as accessible as public emergency services**. Our **IR-1** solution—Asia's first fixed-cost cyber incident response subscription—reflects this commitment, ensuring that immediate, frontline cyber response is just a phone call away.

We are grateful to the **CyberCrime Command (CCC)** for this recognition and extend our congratulations to our fellow APPACT partners who were also honored at the Appreciation Dinner. Together, we are building a safer digital ecosystem for all.
