

NEWS & UPDATES

AiSP Academic Partner

AiSP welcomes Singapore Institute of Technology for signing up as our Academic Partner for year 2019 to 2020.

MOU Signing with CIO Academy Asia

AiSP is pleased to announce that we had formalized strategic partnership with CIO Academy Asia on 16 Nov.

Invitation to Public Submission to SingHealth COI

AiSP is pleased to be invited to provide public submission to SingHealth Committee of Inquiry regarding the recent SingHealth cyber breach. Both AiSP Exco and members contributed in the report. We thank Steven Wong, Alex Lim, Andre Shori, Cecil Su, Tam Huynh, Tok Yee Ching, Samson Yeow, Sunny Neo, Jasmine Tan, Chen Yong Jin, Neo Junhao, Vincent Yeo and George Chen for contributing to the report.

Members Bring a Friend cum Networking night: Ladies in Cybersecurity

AiSP organized a members' event on 13-Nov. We are very encouraged to have over 30 ladies attending this event. We thank Steven Wong and Sherin Lee for presenting AiSP's Ladies in Cybersecurity programme. We also thank Cecil Su, Johnny Kho, Sugar Chan and Mr Yum for attending and leading potential new members to this event. We thank all for supporting the Ladies in Cybersecurity initiative.

Cybersecurity Awareness & Advisory Program (CAAP)

AiSP aims to promote better cybersecurity awareness and preparedness of our SME companies and individuals through CAAP seminars, workshops and focus group discussion. We believe proactive awareness and preemptive approach will help businesses avoid cybersecurity breach that may potentially have an adverse financial and reputation impact. Therefore, participation in this program enable companies to focus on their business growth with confidence.

In November, AiSP organised 3 CAAP events, namely "CAAP Focus Group Discussion with AiSP Members", "Cybersecurity Awareness Community

Outreach at West Coast Constituency” and “CAAP Focus Group with Businesses in the Early Childhood Education and Training Services”. More details about the events are as follows.

CAAP Event 1: Focus Group with AiSP Members

AiSP conducted CAAP Focus Group session with its members on 22-Nov. The aim was to gather feedback regarding the CAAP programme, identify possible challenges, impact and support that could help SME companies deal with cybersecurity threats.

Figure 2: Steven Wong (President AiSP) and Johnny Kho (CAAP Lead) in conversation with AiSP members

CAAP Event 2: Cybersecurity Awareness at West Coast Constituency Community Event

AiSP, together with Booz Allen Hamilton and Trend Micro, organised a cyber security community outreach in support of West Coast Constituency digital carnival for the elderly on 25 Nov.

CAAP Event 3: Focus Group with Businesses in the Early Childhood Education and Training Services

AiSP conducted CAAP Focus Group session with member companies of the Association of Early Childhood and Training Services on 30-Nov. We thank Cecil Su for leading the conversation and clarifying cybersecurity concerns raised by the audience.

CAAP workshops and focus group sessions are free-of-charge. Please contact secretariat@aisp.sg if you are interested.

Penetration Testing Hands-On Lab

AiSP is collaborating with NUS Cyber R&D Lab to set up a hands-on environment for trainees preparing for their pen-testing examination. NUS CRL and AiSP teamed up to develop hands-on pen-testing practice lab.

We are glad to update that the pen-test syllabus has been established and we are in beta testing phase. We target to open the practice lab in early 2019.

Industry Events / Workshops

2-Nov: AiSP was a supporting partner of Singapore Chinese Chamber of Commerce & Industry’s “6th Trade Association Congress & TA Hub Carnival”.

12-14 Nov: AiSP was a supporting partner of “Singapore Fintech Festival” by.

15-16 Nov: AiSP was a supporting partner of Monetary Authority of Singapore’s “4th ASEAN EXEC-IT”.

20-21 Nov: AiSP was a supporting partner of “Asia ICS Cyber Security Conference 2018”.

29 Nov: AiSP was a supporting partner and booth presence of HTCIA Singapore Chapter’s “HTCIA Singapore Conference”.

30 Nov: AiSP was a supporting partner of MDIS’ “Is it still Black or White? A look into today’s cyber security arena”.

Job Advertisement

AiSP is introducing an avenue for employers to advertise info/cyber security job openings on our web and social media platforms. Please contact secretariat@aisp.sg if you are interested.

Qualified Information Security Professional (QISP) Course

QISP course is jointly developed by AiSP and the Institute of Systems Science, National University of Singapore. It is designed for entry to mid-level Information Security Professionals, and any IT Professionals who are keen to develop their knowledge in this field. At the end of the course, you will be able to:

- Undertake information security risk assessments of networks and systems and recommend risk treatment options
- Craft appropriate information security policies to address information security risks
- Manage operations security risks
- Provide advice, from the information security perspective, on compliance with Singapore laws and regulations

For more information, to sign up for the course/exams or find out about fees and funding, please go to www.iss.nus.edu.sg.

The Association of Information Security Professionals (AiSP) was formed in 2008.

AISP aims to be the pillar for Information Security Professional & Profession in info/cyber security by:

- Promoting integrity, status and interests of information security professionals in Singapore
- Developing, supporting and enhancing technical competence and management expertise
- Bolstering, developing and increasing spread of information security knowledge and related subjects.
