The Cybersecurity Awards 2019

The Cybersecurity Awards 2019 & Gala Dinner will be held on 8 November 2019 at Marina Bay Sands. Details of the event are available at www.thecybersecurityawards.sg

Nominations for the awards have been extended to 1 August 2019. Please submit your nominations as soon as possible. For more details on how to nominate, please contact secretariat@aisp.sg.

We have limited sponsorship packages left. Please contact vincent.toh@aisp.sg if you are interested in sponsoring and celebrating this prestigious cybersecurity awards and gala dinner event.

AiSP July Activities

AiSP supported Interpol World 2019 held at Marina Bay Sands from 2 to 4 Jul 2019.

We will like to thank Howden for organising and sponsoring the venue & refreshments for the Insight Talk on Cyber Insurance for our AiSP members on 4 Jul 19 at CapitaGreen.

We will also like to thank our distinguished speaker Mr Shay Simkin - Global/Regional Cyber Insurance, for his wonderful sharing to our members as part of his visit to Singapore.

AiSP signed a Memorandum of Understanding (MoU) with Japan Network Security Association (JNSA) on 4 Jul '19 at AiSP Office. As part of the MOU, AiSP members will be able to participate in JNSA activities when they are in Japan and for JNSA members to participate in AiSP events when they are in Singapore.

AiSP, together with Enterprise Singapore, organised a networking and discussion session for AiSP members at Enterprise Singapore (Bugis Office) on 15 July '19. This session was for AiSP members to come together to discuss the Cybersecurity Roadmap and also to invite AiSP members to be part of the taskforce.

AiSP supported the RSA Conference 2019 held at Marina Bay Sands from 16 to 18 Jul '19

During the RSA Conference, AiSP & RSA organised a guided tour specially for AiSP members with special demos and talks by the different booths.

AiSP also signed a Memorandum of Understanding (MoU) with the Australian Information Security Association (AISA) during the RSA Conference on 16 Jul 19 at AiSP Office. As part of the MOU, AiSP members will be able to participate in AISA activities when they are in Australia and for AISA members to participate in AiSP events when they are in Singapore.

AiSP Executive Committee (EXCO) 2019/2020 had a retreat on 19 July '19 to take stock of activities done for the first half of the year and to discuss upcoming plans and activities for the remaining year. After the discussion, the EXCO had a night of fun and laughter over food and drinks. We work hard and play hard too.

AiSP also supported the National Cybersecurity R&D Laboratory (NCL) Lab testing programme on 20 Jul '19, where our SVRP students & AiSP EXCO help to test and trial the pentest lab at NUS.

We will have another session on Saturday, 31 Aug 19. Students interested in participating may contact the AiSP Secretariat team at secretariat@aisp.sg to register for it.

Cybersecurity Awareness & Advisory Programme (CAAP)

AISP conducted the 2nd CAAP workshop on 5 July 19 for Singapore Chinese Chamber of Commerce and Industry (SCCCI) trade associations', AISP members and the Public. Key takeaways for the audience were:

- Learning how to improve their organisation's Cyber Security Defences
- Learning how to reduce Cyber Security Risk for their organisation
- Cyber Insurance

AISP would like to thank the following presenters:
- Mr. Johnny Kho, AISP Exco
- Mr. KK Lim, Law Society
- Mr. Andrew Ong, CSCIS
- Ms. Geetha, RIMAS

AiSP aims to promote better cybersecurity awareness and preparedness of our SME companies and individuals through CAAP seminars, workshops and focus group discussion. We believe proactive awareness and a pre-emptive approach will help businesses avoid cybersecurity breaches that may have an adverse financial and reputational impact. Therefore, participation in this programme enables companies to focus on their business growth with confidence.

CAAP workshops and focus group sessions are conducted for free by AiSP for the SMEs. Please contact secretariat@aisp.sg if you are interested.

Student Volunteer & Recognition Programme (SVRP)

AiSP aims to encourage volunteerism amongst students in Institutes of Higher Learning (IHL) as they develop their interest in info/cyber security. Recognition of student's volunteerism efforts is based on three capabilities – Service, Skill, Leadership.

AiSP offers volunteering opportunities for students. Please visit http://www.aisp.sg/events.html and look for events that indicate "SVRP Ambassador."

If you are interested in organizing any Cybersecurity related event for AiSP members for free or would like to request support for any activities related to Cybersecurity locally or regionally, please contact secretariat@aisp.sg

PROFESSIONAL DEVELOPMENT

Qualified Information Security Professional (QISP) Course

The QISP course was jointly developed by AiSP and the Institute of Systems Science, National University of Singapore. QISP is designed for entry to mid-level Information Security Professionals, and any IT Professionals who are keen to develop their knowledge in this field. At the end of the course, you will be able to:

- Undertake information security risk assessments of networks and systems and recommend risk treatment options.
- Craft appropriate information security policies to address information security risk.
- Manage operational security risks.
- Provide advice, from the information security perspective, on compliance with Singapore laws and regulations.

For more information, to sign up for the course/exams or find out about fees and funding, please go to www.iss.nus.edu.sg

OTHER INFO

Membership

Type	Benefits
Individual Membership	▪ Recognition as a Trusted Infocomm Security Professional ▪ Use the designation of MAISP (Ordinary Member) as your credential ▪ Free or discounted rates for monthly talks, conferences ▪ Priority on activities, talks and networking events
