NEWS & UPDATES

Career Talk on Cybersecurity

As part of St Margaret's Secondary School Professional Guidance Day 2020 on 7 Jan 20, AiSP EXCO Co-opted Member Ms Alina Tan shared with 40 female students on her interest and career in cybersecurity. Interested to see how we can be part of your school assembly talk or career talk? Please refer to **Ladies in Cybersecurity charter** for more information.

Ladies in Cyber School Talk

On 31 Jan, CHIJ St Nicholas Girls' School organised its Professional Guidance Day 2020

and invited AiSP to give talks to their students. We are pleased to have Dr Tan Mei Hui, who is part of the AiSP Ladies in Cyber Team to share her journey, experience and passion in cybersecurity with 40 female students.

Please contact AiSP Secretariat via email to secretariat@aisp.sg for a discussion to see how we can work together. We have two more talks coming up in Feb, with Singapore Chinese Girls' School and CHIJ Our Lady Queen of Peace Primary School. Please follow us on Facebook for more updates!

The Cybersecurity Awards

The Cybersecurity Awards 2019 Appreciation Party

AiSP organised The Cybersecurity Awards 2019 Appreciation Party at GOVTECH's Village Square on 17 Jan 20 to thank the multi-associations, judges and sponsors for their support. We would like to thank GOVTECH for hosting us and making our lively networking event a success, and it was a great catch-up for those who are passionate about Singapore's cybersecurity community.

We looked forward to your support in The Cybersecurity Awards 2020!

The Cybersecurity Awards 2020

In its third year, The Cybersecurity Awards 2020 seeks to honour outstanding contributions by individuals and organisations, to local and regional cybersecurity ecosystems.

The Awards are organised by AiSP, and supported by Cyber Security Agency and the following professional and industry associations that are part of the Singapore Cyber Security Inter Association (SCSIA) – Centre for Strategic Cyberspace + International Studies (CSCIS), Cloud Security Alliance Singapore Chapter, HTCIA Singapore Chapter, ISACA Singapore Chapter, (ISC)[2] Singapore Chapter, Law Society of Singapore, Singapore Computer Society and SGTech.

Please contact secretariat@aisp.sg on nomination and sponsorship opportunities for Cybersecurity Awards 2020. The award ceremony would be held at the gala dinner on 6 November 2020 in Singapore.

Our call for nominations takes place from 1 Feb to 30 Jun 20. To encourage more

nominations this year, we would be featuring SCSIA's series to share the best practices by winners of The Cybersecurity Awards. Please click here to read about MNC Vendor winner - RSA's best practices.

Cybersecurity Awareness & Advisory Programme (CAAP)

AiSP aims to promote better cybersecurity awareness and preparedness of our SME companies and individuals through CAAP seminars, workshops and focus group discussion. We believe proactive awareness and a pre-emptive approach will help businesses avoid cybersecurity breaches that may have an adverse financial and reputational impact. CAAP workshops and focus group sessions are complimentary for participating SMEs.

Upcoming CAAP Activities

Date	Event
7 Apr	**CAAP Awareness Workshop with Singapore Fintech Association**
19 May	**CAAP Focus Group Workshop with Singapore Fintech Association**

We are rescheduling Feb and Mar CAAP events to take place from Q2 2020 onwards, in view of Wuhan Coronavirus situation.

Student Volunteer Recognition Programme (SVRP)

AiSP is starting our second round of SVRP nominations to encourage more students to be recognised for their volunteering efforts in 2020. The students are assessed on their skills such as cybersecurity or software skills; organise or support events; and leadership

qualities. You can find out more about SVRP from our 2019 winners in this video.

If your organisation would like to be our SVRP Internship Partner, please let us know.

AiSP SVRP Internship Partners

Cybersecurity News

We are including more cybersecurity news in AiSP website so that it is easier for our members to access relevant information, instead of across various media platforms. Besides our News section, we are also posting these news to our Facebook and LinkedIn pages for faster dissemination. If you have any suggestion, please share with us via our member survey.

Want to be part of AiSP events and initiatives in 2020? Please email to secretariat@aisp.sg for a brainstorming discussion to see how we can work together!

Advisory on Wuhan Coronavirus

AiSP would be rescheduling events in Q1 2020 to Q2 2020, in view of Wuhan Coronavirus. We would continue to engage our members through other platforms, for the safety and well-being of the cybersecurity community. Please refrain from attending events if you are not well, and we hope our professionals involved in fighting fake news would stay strong and resilient during this crisis.

MOH Advisory
The Ministry of Health (MOH) has updated the public health travel advisory for dissemination. MOH also urges members of the public to continue to exercise caution and attention to personal hygiene. All travellers should monitor their health closely for two weeks upon return to Singapore and seek medical attention promptly if they feel unwell and inform the doctor of their travel history. Please check the MOH website for the latest updates.

MOM Advisory
The Ministry of Manpower (MOM) has also issued a list of precautionary measures for employers and employees travelling to and from Mainland China and known affected countries. The details can be accessed via the MOM website.

PROFESSIONAL DEVELOPMENT

Qualified Information Security Professional (QISP) Course

The QISP course is jointly developed by AiSP and the Institute of Systems Science, National University of Singapore. QISP is designed for entry to mid-level Information Security Professionals, and any IT Professionals who are keen to develop their knowledge in this field.

As QISP will be revised to complement AiSP's newly updated Body of Knowledge 2.0, the last QISP exam based on the Body of Knowledge 1.0 would be held in May 2020. For more information on exam registration, course fees and funding, please visit to www.iss.nus.edu.sg.

BOK 2.0 Knowledge-Sharing and Networking Events

The Body of Knowledge (BOK) 2.0 caters to the professional development of information security (IS) personnel with relevant working experience between one to five years in Singapore. The domains in BOK 1.0 are currently covered in AiSP's Qualified Information Security Professionals (QISP) training.

As part of knowledge-sharing, AiSP would be organising regular knowledge-sharing and networking events based on the BOK 2.0 topics from Q2 onwards. Please let us know if your organisation is keen to be our sponsoring speakers in 2020!

MEMBERSHIP

Membership Renewal 2020

If you have not been receiving our edms on AiSP members' events since Jan 2020, it is likely that you have yet to renew your 2020 AiSP Membership. While we have sent selected members a reminder on 13 Dec 2019, some members may not have received our email in their inbox.

As 8 Feb 2020 marks the 15th day of Chinese New Year, we hope our members can send us their membership fee as part of the renewal process. Your continual support goes a long way to enable us to strengthen the cybersecurity community. Please click here for payment details, and contact secretariat@aisp.sg for assistance.

Happy Lunar New Year!

AiSP Annual Member Survey 2020

We have received members' suggestions on their needs and what AiSP can do for them, through our Member Survey 2020. We welcome your views so that we can better serve our members in the cybersecurity industry. Please click **here** to access or use the QR code,

This annual survey takes place from **1 Jan to 29 Feb 2020**, we look forward to your responses!

Welcome Ngee Ann Polytechnic, our new Academic Partnership Programme Member!

Since 1963, Ngee Ann Polytechnic has been offering courses in language, commerce and technology. Its student population has grown to more than 14,000 and it offers 36 full-time diploma courses and three common entry programmes through nine academic schools and various part-time programmes for adult learners through its CET Academy. Set up in 1982, its School of InfoComm Technology (ICT) offers broad-based, holistic IT education.

Be Plugged into Cybersecurity Sector – Join us as a Member of AiSP!

The Association of Information Security Professionals (AiSP), formed in 2008, is an independent cybersecurity association that develops, supports and enhances industry technical competence and management expertise to promote the integrity, status and interests of Information Security professionals in Singapore.

We believe that in promoting the development of cybersecurity and increasing and spreading of cybersecurity knowledge, and any related subject, we help shape more resilient economies.

AiSP aims to be the pillar for Information Security Professional & Profession in Cyber by:
- Promoting the integrity, status and interests of information security professionals in Singapore.
- Developing, supporting as well as enhancing technical competency and management expertise in cybersecurity.
- Bolstering the development, increase and spread of information security knowledge and its related subjects.
