Mr Ian Loe & Ms Gillian Low

Mr Nicolas Colleery

CRESTCon Asia 2019

AiSP inaugurated CRESTCon Asia 2018 in July 2018 in Singapore. More than 175 local and global participants attended the conference.

The next conference is scheduled in mid-2019. AiSP will be announcing “Call for Speakers” and “Call for Sponsors” soon. Please look out for details at www.aisp.sg. If you are interested to sponsor, please contact secretariat@aisp.sg.

Cybersecurity Awards 2019

AiSP inaugurated Cybersecurity Awards in February 2018. In 2019, the Awards is scheduled in October 2019. AiSP will be announcing “Call for Nominations” and “Call for Sponsors” soon. Please contact secretariat@aisp.sg if you are interested to sponsor.

Cybersecurity Awareness & Advisory Program (CAAP)

AiSP aim to promote better cybersecurity awareness and preparedness of our SME companies and individuals through CAAP seminars, workshops and focus group discussion. We believe proactive awareness and preemptive approach will help businesses avoid cybersecurity breach that may potentially have an adverse financial and reputation impact. Therefore, participation in this program enable companies to focus on their business growth with confidence.

AiSP will be conducting CAAP workshops and focus group discussions with the following organisations:

- Institute of Singapore Chartered Accountants (ISCA)
- Risk and Insurance Management Association of Singapore (RIMAS)
- Singapore Chinese Chamber of Commerce and Industry (SCCCI)
- Singapore Human Resources Institute (SHRI)
- Singapore National Employer Federation (SNEF)

CAAP workshops and focus group sessions are free-of-charge. Please contact secretariat@aisp.sg if you are interested.

Student Volunteer & Recognition Programme (SVRP)

AiSP aim to encourage volunteerism amongst Institute of Higher Learning (IHL) students while they develop their interest in info/cyber security. SVRP was inaugurated in October 2018. Recognition will be based on three areas of voluntarily contribution – Service, Skill, Leadership-based.

Please contact secretariat@aisp.sg if you are interested to find out more.

PROFESSIONAL DEVELOPMENT

Qualified Information Security Professional (QISP) Course

QISP course is jointly developed by AiSP and the Institute of Systems Science, National University of Singapore. It is designed for entry to mid-level Information Security Professionals, and any IT Professionals who are keen to develop their knowledge in this field. At the end of the course, you will be able to:

- Undertake information security risk assessments of networks and systems and recommend risk treatment options
- Craft appropriate information security policies to address information security risks
- Manage operations security risks
- Provide advice, from the information security perspective, on compliance with Singapore laws and regulations

For more information, to sign up for the course/exams or find out about fees and funding, please go to www.iss.nus.edu.sg.
