

NEWS & UPDATES

CRESTCon Asia 2019 & Call for Sponsors

AiSP launched CRESTCon Asia 2018 in July 2018. More than 175 local and global participants attended the conference in Singapore.

CRESTCon Asia 2019 is happening on 20th September 2019 at the Rendezvous Hotel in Singapore.

Details of the Conference are available at www.aisp.sg. If you are interested in sponsoring this event, please contact secretariat@aisp.sg.

Registration of the Conference will be opening up in July. If you are interested in being part of the event, you may contact secretariat@aisp.sg.

The Cybersecurity Awards 2019

The Cyber Security Awards 2019 second industry briefing was conducted on 15th May at the AiSP office.

The Cybersecurity Awards 2019 & Gala Dinner will be held on 8 November 2019. Details of the event are available at www.thecybersecurityawards.sg

Nominations for the awards will close on 1 July 2019. For more details on how to nominate, please contact secretariat@aisp.sg.

Please contact secretariat@aisp.sg if you are interested in sponsoring and celebrating this prestigious cybersecurity awards and gala dinner event.

AiSP Cybersecurity Career Talk at Yusof Ishak Secondary School on 30 May 19

AiSP's Ladies in Cybersecurity committee conducted a Career Talk for over 40 students at Yusof Ishak Secondary School on 30 May 19 to share with students on the different career pathways in Cybersecurity. AiSP would like to thank Yusof Ishak Secondary School for inviting our EXCO members to share with the students.

AiSP would also like to thank our speakers and panellist for sharing their experiences and journeys in Cybersecurity:

- Ms. Cassandra Yeo, AiSP Co-Opted Member & Marketing Executive, Ensign InfoSecurity
- Ms. Catherine Lee, AiSP Co-Opted Member
- Ms. Faith Chng, AiSP Co-Opted Member
- Ms. Sherin Y Lee, AiSP EXCO Committee Member and Head of Marketing, Branding & Communications, Ensign InfoSecurity

For updates or more info about our Ladies in Cyber events, please visit www.aisp.sg/events.html.

Please contact secretariat@aisp.sg if you are interested in sponsoring or being part of the Ladies in Cyber events.

Bi-Monthly Technical Talks

AiSP & RSA organized the Bi-Monthly Technical Talk for AiSP Members & Partners on 14 May 2019 at Singapore Marriott Tang Plaza Hotel.

AiSP would like to thank RSA, a division of DELL Technologies, for sponsoring the venue, food and gifts for the talk.

AiSP would like to thank Mr. Cecil Su, AiSP Secretary and EXCO Lead for Events, for leading and advising the Secretariat in organizing the event.

AiSP would also like to thank Mr. Mark Lee, Regional Business Director, NetWitness (South East Asia and Asia Emerging Markets), for sharing with our AiSP Members & Partners on "Managing Risk in the Digital World."

Cybersecurity Awareness & Advisory Programme (CAAP)

AiSP aims to promote better cybersecurity awareness and preparedness of our SME companies and individuals through CAAP seminars, workshops and focus group discussion. We believe proactive awareness and a pre-emptive approach will help businesses avoid cybersecurity breaches that may have an adverse financial and reputational impact. Therefore, participation in this programme enables companies to focus on their business growth with confidence.

CAAP workshops and focus group sessions are conducted for free by AiSP for the SMEs. Please contact secretariat@aisp.sg if you are interested.

Student Volunteer & Recognition Programme (SVRP)

AiSP aims to encourage volunteerism amongst students in Institutes of Higher Learning (IHL) as they develop their interest in info/cyber security. Recognition of student's volunteerism efforts is based on three capabilities – Service, Skill, Leadership.

AiSP offers volunteering opportunities for students. Please visit <http://www.aisp.sg/events.html> and look for events that indicate “SVRP Ambassador.”

ONGOING / UPCOMING ACTIVITIES

PROFESSIONAL DEVELOPMENT

Qualified Information Security Professional (QISP) Course

The QISP course was jointly developed by AiSP and the Institute of Systems Science, National University of Singapore. QISP is designed for entry to mid-level Information Security Professionals, and any IT Professionals who are keen to develop their knowledge in this field. At the end of the course, you will be able to:

- Undertake information security risk assessments of networks and systems and recommend risk treatment options.
- Craft appropriate information security policies to address information security risk.
- Manage operational security risks.
- Provide advice, from the information security perspective, on compliance with Singapore laws and regulations.

For more information, to sign up for the course/exams or find out about fees and funding, please go to www.iss.nus.edu.sg

The Association of Information Security Professionals (AiSP), formed in 2008, is an independent cybersecurity association that believes in developing, supporting as well as enhancing industry technical competence and management expertise to promote the integrity, status and interests of Information Security professionals in Singapore.

We believe that in promoting the development of cybersecurity and increasing and spreading of cybersecurity knowledge, and any related subject, we help shape more resilient economies.

AiSP aims to be the pillar for Information Security Professional & Profession in Cyber by:

- Promoting the integrity, status and interests of information security professionals in Singapore.
- Developing, supporting as well as enhancing technical competency and management expertise in cybersecurity.
- Bolstering the development, increase and spread of information security knowledge and its related subjects.
