

NEWS & UPDATES

AiSP CyberFest 2019

AiSP SME CONFERENCE FOR CYBERSECURITY AWARENESS 2019

Organised by the Association of Information Security Professionals (AiSP), the **AiSP SME Conference for Cybersecurity Awareness 2019** is a unique event that brings together small and medium enterprises to discuss the importance of being cyber aware. The event provides you with the opportunity to share your experience, skills and knowledge on how cybersecurity can benefit your company.

Date: 4 Nov 2019 (Mon)

Time: 1pm to 6pm

Venue: Lifelong Learning Institute
Event Hall 1-1 & 1-2

Details of the Conference are available at www.aisp.sg. If you are interested in sponsoring the event and giving a talk or setting up a marketing booth, please contact vincent.toh@aisp.sg.

Registration for the Conference will start on 1 Oct 2019 (Tue) and is free for everyone to attend and participate in. Please contact event@aisp.sg if you are interested to join the event. Do invite your friends and colleagues to attend as well, to understand the importance of cybersecurity and how we can respond to cyber threats.

AiSP aims to elevate cybersecurity awareness among SMEs and establish a self-sustaining ecosystem with active participation from government agencies, business associations, cybersecurity communities, and vendors.

Under the Cybersecurity Awareness & Advisory Programme (CAAP), AiSP aims to launch and share its CAAP Body of Knowledge for SMEs to understand the importance of cybersecurity and how they can respond to cyber threats. AiSP also plans to create a vendor partner list that businesses can refer to for assistance or to purchase cybersecurity products.

The Cybersecurity Awards 2019 & Gala Dinner will be held on Friday 8 Nov evening at Marina Bay Sands. Event details are available at www.thecybersecurityawards.sg. Do join us for a night of networking and celebration if you have missed out our inaugural awards last year!

We have limited sponsorship packages left. Please contact yvonne.wong@aisp.sg if you are interested in raising your brand profile at this prestigious cybersecurity awards and gala dinner event.

AiSP members can purchase tables at a special rate if you wish to be part of this celebratory event. Please contact us at secretariat@aisp.sg for more details.

AiSP Sep 2019 Activities

CRESTCon Asia 2019

AiSP organised the CRESTCon Asia 2019 on 20 Sep 19 at the Rendezvous Hotel in Singapore. More than 200 local and global participants attended the conference in Singapore for a day of sharing and networking.

AiSP would also like to thank the following sponsors for making CRESTCon Asia 2019 possible.

1. BDO
2. Commisum SDN BHD
3. F-Secure
4. DigitalXRAID Ltd
5. Netitude
6. Spirent
7. Wizlynx Group
8. Zimperium
9. Booz Allen Hamilton for sponsoring the networking lunch

Booz | Allen | Hamilton

AiSP will like to thank the following speakers below for taking their time off despite their busy schedule to share their knowledge during CRESTCon Asia 2019.

1. Samuel Pua from F-Secure
2. Terry Chia from Centurion Information Security
3. Jared Yeo from MOH Holdings Pte Ltd
4. Aliz Hammond from F-Secure
5. Nathan Hartzell from Booz Allen Hamilton
6. Tom MacDonald (Mac) from Netitude
7. Anish Mitra and Harsha Bhat from KPMG India
8. James Anderson from FireEye
9. Luca Berni from Deloitte

Monthly Technical Talks

Two notable speakers shared their insights on 16 Sep 2019 for the AiSP & HTCIA joint Monthly Event at NTUC Learning Hub.

Mr Pravin Pandey Arvyta (HTCIA 1st Vice-President; Deloitte Director, Forensic APAC) shared his insights on the topic *Digital Investigations and the Current Climate*.

Mr Huynh Thien Tam, (AiSP EXCO Committee Member; PwC Director, Cybersecurity) spoke about his topic *Everyone wants to go Digital, So do Card Skimmers!*.

AiSP would also like to thank HTCIA Singapore Chapter for their sponsorship of the event, and SkillsFuture Singapore for their support in making this event possible.

Our next AiSP Monthly event will be on 29 Oct 19 by Google and Horangi. Please sign up at <https://aisp291019.eventbrite.sg/>.

Cybersecurity Awareness & Advisory Programme (CAAP)

CAAP Focus Group Discussion with AiSP & IASA Members

AiSP & IASA jointly organised a CAAP focus group discussion on Cybersecurity Awareness on 4 Sep 2019 for both AiSP and IASA members. More than 30 members attended the discussion at Lifelong Learning Institute.

As part of the programme, Mr Morgan Rasan from IASA presented the topic *Cyber Security for Digital Transformation – An Enterprise Architecture Perspective* with the attendees.

We will also like to thank our AiSP EXCO Committee Member, Mr Freddy Tan for taking time from his work to facilitate the session.

The ACAAP Awareness at People’s Association HQ

The AiSP Secretariat promoted cybersecurity awareness at the Formula One Briefing Session for the People Association’s Volunteers on 9 Sep 2019.

AiSP would like to thank People’s Association for inviting us to support their promotion on cybersecurity awareness.

AiSP aims to promote better cybersecurity awareness and preparedness of our SME companies and individuals through CAAP seminars, workshops and focus group discussion. We believe proactive awareness and a pre-emptive approach will help businesses avoid cybersecurity breaches that may have an adverse financial and reputational impact. Therefore, participation in this programme enables companies to focus on their business growth with confidence.

CAAP workshops and focus group sessions are conducted for free by AiSP for the SMEs. Please contact secretariat@aisp.sg if you are interested.

The Association of Information Security Professionals (AiSP), formed in 2008, is an independent cybersecurity association that believes in developing, supporting as well as enhancing industry technical competence and management expertise to promote the integrity, status and interests of Information Security professionals in Singapore.

We believe that in promoting the development of cybersecurity and increasing and spreading of cybersecurity knowledge, and any related subject, we help shape more resilient economies.

AiSP aims to be the pillar for Information Security Professional & Profession in Cyber by:

- Promoting the integrity, status and interests of information security professionals in Singapore.
- Developing, supporting as well as enhancing technical competency and management expertise in cybersecurity.
- Bolstering the development, increase and spread of information security knowledge and its related subjects.
